Washington County Habitat for Humanity

Founded in 1989, Washington County Habitat is part of Habitat for Humanity International, which seeks to eliminate poverty housing and homelessness and make decent shelter a matter of conscience and action. With your help, we partner with families in need to build simple, affordable, decent homes.

Since our inception, we have:

- Completed 56 homes in Washington County
- Impacted the lives of almost 200 family members

This year:

- 1 home is under construction
- 6 prospective families are waiting for a home.

Your support will not only help us provide homes for these 6 families, but continue to build homes until everyone in Washington County has safe, affordable housing.
